

Statement from John Price [M.D]

Dear Band Members

In line with my statement at the AGM in 2019, I am now stepping down as Musical Director of the band.

I would have had the pleasure of conducting the band for the last time in Bad Orb, Germany, but Covid-19 has put paid to that.

I have served the band for 22 years and have decided that it is time for someone else to move the band forward.

I will continue to play in the band [on Trombone] and would like to thank the band members for their support & also the committee members who have served the band, during those 22 years.

I would also like to thank those who have conducted the band in my absence.

I understand that my brother, Stephen will conduct the band until such time the committee can make an appointment of a new M.D.

Best wishes

John

August 2020.
